

ACTION NEEDED BY AUG 16

Update BEBO in Under a Minute

Downloaded BEBO before 15 July 2026? Update now — the old AI model stops working on 16 August.

1 Quit BEBO

Right-click BEBO's icon near the clock. Click Quit.

2 Download

Click the link below. Download BEBO.the.PET.Setup.exe

3 Open it

Open the Setup.exe file. Takes about 15 seconds.

4 Done!

BEBO opens by itself. Your saved key still works.

✓ Your saved key still works — no need to sign up again. Still 100% free.

NEW HERE? SETUP TAKES 2 MIN

Set Up BEBO in 2 Minutes

First time using BEBO? Follow these 4 quick steps to get your free AI desktop companion running.

1 Download

github.com/bhavik8025/BEBO-the-PET/releases/latest

BEBO.the.PET.Setup.exe

2 Install it

Open the file. Takes about 15 seconds. No admin needed.

3 Get a free key

Visit groq.com — free account. No credit card. Takes 30 seconds.

4 Launch

Paste your key. Click Verify & Launch. Done!

✓ Free forever · No credit card · Ready in 2 minutes
